Order by Phone
It’s fast and convenient! For best service have all catalog and credit card information ready, then call:

TOLL-FREE ORDER LINE 1-800-228-7346*
FAX NUMBER 1-540-901-2908
LOCAL NUMBER 1-540-896-5910

A $20 MINIMUM IS REQUIRED FOR ORDERS PLACED OVER THE PHONE. Mastercard, VISA, Discover and American Express are welcome. C.O.D. shipments are not available for any items.

Mail Orders
Fill out the order blank in the back of this catalog. For fastest delivery, send a money order or cashiers check. Personal checks are accepted but will delay the order 7 days while the check clears the bank. Mastercard, VISA, Discover and American Express are welcome. A $20 MINIMUM IS REQUIRED FOR ORDERS PLACED THROUGH THE MAIL. Be sure to include card number, expiration date, billing address, and signature of cardholder.

Fax Orders
Accepted 24 hours daily. Mastercard, VISA, Discover and American Express. A $20.00 MINIMUM IS REQUIRED FOR ORDERS PLACED OVER THE FAX. Fax number is 540-901-2908.

Warranty / Exchanges
All parts are guaranteed. Please inspect the shipment as soon as you receive it. If you have a problem with any purchase, please call one of our associates at 800-228-7346*. Many times, application problems can be quickly handled by phone, saving needless shipping expense. Should you find it necessary to return anything, a copy of our return procedures is packed with your invoice. All claims for shortages must be made within 48 hours. No shortage claims will be accepted after 48 hours. To better facilitate our handling of returned items, please call and obtain a return authorization number. All returns must be sent prepaid. C.O.D. returns will be refused. Returns older than 30 days are subject to a restock fee. Absolutely no returns after 120 days from date of purchase regardless of reason unless covered by an extended warranty. We reserve the right to charge a restocking fee on certain items. Special orders are also subject to a restock fee. Auto Krafters, Inc.’s liability is limited to the replacement of the product or refund of the purchase price. Installation labor costs or shipping charges are not refunded. Electrical parts are non-returnable once installed. We will replace defective units only. Our associates are available from 9:00—5:00 Monday—Friday ET.

Warehouse Location
Auto Krafters, Inc.'s office and warehouse are located in Broadway, Va., off Interstate 81 exit 257. PO Box 8 • 129 Hartz Blvd. • Broadway, VA 22815. Our local phone number is 540-896-5910. Sorry no personal checks accepted for showroom purchases without prior authorization.

Shipping Charges
In the continental United States, there is a minimum shipping charge of $14.95. Most orders are shipped via UPS or FedEx. Please furnish a complete street address as UPS cannot deliver to a post office box number. We reserve the right to ship extra heavy or oversize shipments freight collect. Hoods, fenders and quarter panels fall in this category. If you have prepaid the shipping and the order has to be shipped freight collect, we will refund your prepaid shipping. If you have any question, please call us at 800-228-7346* for assistance. Please check all truck shipments for damage before signing the bill of lading. Once truck shipments are signed for, no claims can be made for damage. Some parts require additional handling charges. Fragile items, such as mouldings, will be shipped in PVC tubes and will incur a $15 handling fee. All oversized items will incur a $10 boxing fee and / or crate charges where applicable. Please inquire about additional handling charges when ordering.

Alaska, Hawaii, Puerto Rico and Canadian orders should add 20% estimated shipping and handling with a minimum of $20.00. Other foreign countries should add 35% with a minimum of $20.00. Any excess will be refunded. Canadian customers are responsible for all customs brokerage fees and duties.

Customer Satisfaction
Our goal is customer satisfaction and we strive to sell the highest quality parts at competitive prices. If you encounter a problem with your order, contact us immediately so that we may resolve the problem. We want your repeat business and the business of your friends and neighbors. Most orders are processed and shipped within 24 hours of receipt. If we should need to back order any items, they will be shipped as soon as possible unless you notify us otherwise. If you require your parts delivered by a specific date, please advise us when placing your order and we will do our best to accommodate your needs.

Back Ordered Items
Due to the difficulty of keeping some items in stock, an item you order may be put on back order for later delivery. Most back ordered items can be shipped in 21 days. If you do not receive your back ordered items within the time stated on your notification letter, please call us at 1-800-228-7346* for a revised delivery date.

Origin of Parts
We sell both Genuine Ford and quality reproduction parts acquired from many sources, both domestic and foreign. We will be happy to give you the country of origin of all our parts, if known. All Ford Trademark parts sold (such as emblems, etc.) are licensed by Ford Motor Company®. The majority of the parts in this catalog are made in the USA, are reproductions of originals and are NOT Genuine Ford. Auto Krafters is proud to offer reproduction parts and accessories from such manufacturers as Dennis Carpenter®, Auto Custom Carpet®, Jim Osborn Reproductions®, Drake Automotive Group® and many others.

NOTE: We are not responsible for typographical errors. Prices are subject to change without notification.

NOTE: Illustrations are typical and may not be representative of the part you are ordering.

WEATHERSTRIP ADHESIVE
High quality black adhesive. Strong, flexible and rubbery. Can withstand vibration and extreme temperature variations. It can be used to bond automotive weatherstripping and is a great adhesive for holding paper, cork or rubber gaskets in place during installation. Not recommended for windshield or back glass weatherstrip.

5 oz. tube. .......................................................... 3M08008 ......... ea ...... 6.95

AUTO BEDDING & GLAZING COMPOUND – BLACK
Non-hardening, water-resistant, medium-bodied product. Use for sealing auto body seams and between windshield rubber and the car body. It can also be used to seal around moldings and to attach door water shields. Remains permanently soft and pliable to absorb movement in the auto body. Cleans up with a dry cloth. Use with a cartridge applicator gun (caulking gun).

AUTO KRAFTERS PRICE MATCH GUARANTEE

We pride ourselves in offering the best quality parts at the lowest prices possible. If our prices are not already lower, we will match any competitor’s price on like-quality parts.

Prices matched must be current and verifiable from the competitor’s web site. Price corrections must be made before purchase is made.

No refunds on previous orders.

www.autokrafters.com
**Upholstery**

These all-vinyl sets are made from top-quality materials and are reproduced using patterns as close to original as possible.

Please specify color choice by adding the color code to the part number, after the hyphen (example: UP63FL65-03FRBN for red upholstery for a ’63 Fairlane 500 2-door sedan with split-bench seat).

Covering only – does not include seat frame, frame bumper, foam, seat backs, or headrests. Seat foam is sold separately on page 19.

Sets are comprised of front and rear upholstery, except for Ranchero. Please allow 4 to 6 weeks for delivery.

**NOTE:** Upholstery is all-vinyl. Cloth inserts are not available.

**NOTE:** Upholstery is a special-order item only and is not returnable. Defects due to poor workmanship or mis-packaging will be replaced as close to original as possible.

Some items are oversized and require additional shipping charges. Please call for a shipping quote.

TOURING II SEATS
These new Touring II front bucket seats are covered in Sierra grain vinyl with Rosette grain inserts, just as the original, and patterned to mimic the original design. They have the comfort and support of a modern seat, a 20-position reclining seat back, and 18-position sliding seat track. The seat frames are TIG welded and coated, and designed to support the high bolstered injection-molded seat foam. Head rest brackets are installed in the seat, and head rests are included but not installed. Sold as a pair.

NOTE: These are oversize items; additional shipping charges apply.

NOTE: Mounting bracket, attaching hardware, and buttons / medallions are not included. For mounting bracket kits, see below.

**FRONT SEAT BELT SHOULDER HARNESS STRAP BOOT**
Molded in black plastic. Reproduction, made exactly like original.
’71 – ’73 Torino; ’71 Montego. ........................................ D1AZ-6560235 ...... ea .......... 12.95
DOOR PANELS
Concours-quality panels reproduced in detail to include the correct-style chrome Mylar trim and correct grain texture vinyl in factory original colors. Correct hole locations are die-cut on the back side for an exact fit when installed. Does not include the upper reinforcement or attaching weatherstrip. Emblems are not included. Made in the USA.

'62 – '64 Material: Crush grain vinyl.
'65 – '68 Material: Sierra grain vinyl.

'69 – '73 Material: Corinthian grain vinyl.

When ordering, please specify body style for full set. Most original colors available. Please specify color choice by adding color code, where applicable, to the end of the part number when ordering.

NOTE: Some items are oversized and require additional shipping charges. Please call for a shipping quote.

NOTE: Door panels are special-order and are not returnable. Defective panels will be replaced. Please allow 3 to 4 weeks for delivery.

KICK PANELS CONTINUED

**Speaker Pots for Kick Panels in Previous Column**
Made from 1/8” ABS plastic and provide weather protection to your side cowl area speakers. Reproductions trimmed to factory specifications. If your car was not equipped with an upgraded sound system, you will have make modifications by cutting the sheet metal in the side cowl behind the kick panel. The pots feature the absence of mounting tabs (that were a part of the factory originals) to allow easier installation of modern speakers. It is suggested that a small pad of sound deadening material be used behind the speaker to improve sound quality. The opening is designed for a 5 1/2” speaker. Pot depth: 5 1/2”. Mounting flange: 6%” x 6 ½”. Made in USA.

INSULATOR KITS

The heat absorber / barrier and sound damper material in these kits provides a dramatic difference in the interior comfort, giving typically a 50% reduction in noise and 40% reduction in heat. Each kit includes sound deadener pads, pre-trimmed heat absorber / barrier panels, 14 oz. spray adhesive, a roll of aluminum foil tape and detailed instructions.

NOTE: Modifications may be necessary for Mercury applications.

'67 – '71 '70 Fairlane hardtop; '71 Torino / Cyclone hardtop. 3-piece kit. White.

FATMAT® RATTLE TRAP SOUND DEADENER – 50 SQ. FT.

Bulk roll – 50 sq. ft. (33½’ × 18”) × 80 mil thick. Features aggressive self-adhesive backing that can be installed at almost any temperature. Requires no heat to install and is great for exterior noise reduction, insulation, and improving sound system quality. Includes installation kit (containing roller and instruction sheet). Manufacturer’s lifetime warranty. ......................... RATPAK50 ................ ea .... 159.95

HEAT SHIELD AND SOUND DEADENER

Uses space-age technology to keep heat in and noise out of the driving and listening environment. Consists of one sheet of 99.5% pure industrial-grade aluminum laminated to ¾” padding, achieving the highest reflection of heat and sound-deadening capabilities.

........................ 72X48 ..................... ea .... 62.95

INSULATOR AND SOUND DEADENER WITH BUBBLE FILM

Reflective foil insulation consisting of 2 layers of polyethylene bubble film sandwiched between 2 layers of 99.9% pure aluminum foil, making it ¾” thick. Temperature range: 60° – 180° F. Works great for insulating headliners, floor pans, trunk area, door panels, kick panels, etc. Cut and form into needed shapes using scissors, and apply with contact cement or weatherstrip adhesive.

72” × 48” ........................ 72X48BF ................. ea .... 29.95

DYNAMAT® EXTREME HEAT SHIELD AND SOUND DEADENER

Thermo-acoustic control material giving a cool, quiet ride. Eliminates road and engine noise, giving your vehicle a new feel. Applying Dynamat® to the sheet metal surrounding your speakers will eliminate speaker distortion, vibration, rattles and squeaks. Easy peel-and-stick application for doors, floor, roof and trunk. Box contains 9 sheets for a total of 36 sq. ft. 20455 ................. box .... 199.95

AIR CONDITIONER DRAIN HOSE
'66 – '70 With hang-on A/C.

** Other air conditioner components can be found on pages 110–111 of the Engine section of this catalog. **

Dash Area Components

C8OZ-13711A AK3969

INSTRUMENT CLUSTER LIGHT BULB SOCKETS

Reproduction
'68 – '70 Fairlane / Torino / Comet.

Replacement
Light socket with pigtail for dash / instrument panel. This socket is a single contact with a 12" lead, miniature base and fits a 5/8" hole.

INSTRUMENT CLUSTER LIGHT / DASH WARNING LIGHT BULBS – REPLACEMENTS

Package of 2 bulbs.

C8OZ-10887A C8OZ-10887DM

INSTRUMENT CLUSTER LENSES

Main Lens
'68 – '69 Fairlane / Torino / Ranchero.

RH Lens
Covers the empty pod in vehicles without a factory-installed clock. This pod is to the RH side of the three main instruments in the dash cluster and contains a "dummy" instrument face.

DASH PAD
Excellent reproduction featuring correct crush grain vinyl formed to the original foam backing. Available in the correct color black. Made in the USA.

NOTE: There is a $10.00 per order boxing fee for all dash covers.

DASH COVERS
Custom-designed, molded black plastic dashboard cover. Features a contoured fit and correct texture. Fits right over the existing dash; no need to remove the dash or instruments and no need for special tools. Thick and durable. Excellent for that daily driver.

Available in black only.

NOTE: There is a $10.00 per order boxing fee for all dash covers.

NOTE: These items are oversized and require additional shipping charges. Please call for a shipping quote.

DASH INSERT MOULDING
Chrome-plated plastic with red, white and blue detailing. Goes in the dash on the passenger’s side. Includes retainers. Made in the USA.

DASH INSERT BEZEL
Chrome bezel into which dash emblems (see below) are mounted. Made of injection-molded plastic and vacuum-metalized chrome, exactly like the original. Dash emblems sold separately.

HUMPHUGGERS FOR BUCKET SEATS
This console installs in seconds over the carpeted hump between 2 bucket seats and is held in place with Velcro™ – no tools needed. Features a storage compartment and 2 drink holders. This is a must for going to the shows, just remove the HumphHugger to restore to the original look. No more spilled drinks and additional storage, too.

Radio Related

AMPLIFIED AM / FM HIDE-AWAY ANTENNA

A great solution for anyone who doesn’t want to install a standard fender-mount antenna.

Installs in seconds using a standard antenna plug and your radio’s power antenna wire. Uses magnetic field circuitry for enhanced radio reception. Can be installed almost anywhere, thanks to the supplied 105” antenna lead and power wire.

.................................................. HPA1 ......................... ea .......... 24.95

UNDERCOVER II SPEAKERS

Designed specifically for under-seat or horizontal “wall” installations. One 8” woofers and 2 Piezo tweeters in an enclosure that measures 3” high x 11” wide x 12½” long. 200 watt capacity. Offers a full, deep sound.

NOTE: This is an oversized item; additional shipping charges apply.

'62 – '78

- .................................................. UNDERCOVER2 ........ pr .......... 159.95
RADIO SPEAKERS

Original Style
8 ohm, as original. Fabric dust cover installed on speaker. Manufactured in the USA, using compact high-energy neodymium (NEO) magnets that allow these speakers to fit where others won’t. Neodymium magnets (commonly referred to as super magnets) are 1/10 the physical size of round ceramic magnets found on most modern speakers but provide the same or higher field strength. Comes with instructions. Manufacturer’s 5-year warranty against manufacturing defects.

'62 – '65 5" × 7". .......................... 5X7.............................. ea......49.50
'66 – '71 4" × 10". Use with original mounting board. ............................................. 4X10SLIM.............................. ea......49.50

Slim Line
1 1/2" deep. 8 to 10 ohms. The 3 1/2" × 6 7/8" mounting centers will fit all 4" × 10" applications.

'66 – '71 4" × 10". Use with original mounting board. ............................................. 4X10SLIM.............................. ea......49.50

Dual-Coil
Gives a stereo mix from your single-speaker location. Treated foam surround gives a natural sound with no distortion and is very durable. Features poly cones, a dip-cut magnet for extended pole piece excursion and comes with two speaker wires (approx. 5 ft.). 30 watts maximum power handling. Designed for RetroSound® stereo systems.

'66 – '71 4" × 10". Use with original mounting board. ............................................. D412.............................. ea......44.95

IN-DASH RADIO SPEAKERS
These dual dash speakers provide sound from factory mono speaker locations. Each assembly is pre-wired to plug in instantly to Custom AutoSound’s radios. Held in place by screws, which are not included.

'66 – '71 Fairlane / Torino. 4 1/2" × 10". ............................................. 1001FL.............................. ea......39.95

Dual Voice Coil Speakers
Give you the best quality sound possible from your original mono speaker location. These speakers have up to 70% more cone area than the conventional dual speaker setup, giving you improved bass response and 140 watt power handling. Both stereo channels connect directly to one speaker. This is the best sound solution for the original speaker location we have found.

'67 – '70 Ranchero with standard interior. 4" × 10". ............................................. 3001RH.............................. ea......59.95

'66 – '71 Fairlane / Torino. 4" × 10". ............................................. 3001FL.............................. ea......59.95

PACKAGE TRAY RADIO SPEAKER AND GRILLE
Speaker
Dual-cone, 25 watts, 4 ohms speaker measuring 6" × 9" with a mounting depth of 3". Although not original in all cars, can be used as a universal rear speaker in cars with rear package tray. Pigtail wire included.

'62 – '76 ............................................. C9AZ-18808R.............................. ea......29.95

Grille
Exact reproduction featuring the correct screen pattern. Can be used as a universal piece for all cars with a rear package tray. Mounting hardware included.
